MPA's Youth Show Pig Circuit Guidelines

I. Organization

- a. The MYSPC is a summer showpig circuit that consists of sanctioned shows and youth activities, managed by the Missouri Pork Association (MPA) and governed by the MYSPC Committee.
- b. The show season will be from May-June, with recognition at the Missouri State Fair.
- c. The official website is www.MoPork.com/Youth_MYSPC.asp.
- d. Points from 50% of MYSPC sanctioned shows will count towards a member's points.
- e. Any grievances must be presented in writing to an MYSPC representative within 24 hours of the incident and accompanied by a \$100 *non-refundable* fee.
- f. The MPA will post all results as soon as possible after a sanctioned show on the official website. In addition, all show flyers will be posted by April 1st of the current show season.
- g. The MPA will maintain a current MYSPC membership list and manage funds.
- h. The MPA will work with the MYSPC Committee to obtain sponsorships/prizes for the program.
- i. Communication between the MYSPC and members will predominately occur via e-mail or the internet.

II. Eligibility and Membership

- a. Membership is open to Missouri Youth ages 21 and under as of January 1st of the current year. There will be a 60% payback of dues as premiums at the conclusion of the year. Members will compete using their age as of January 1.
- b. An annual \$25 membership fee will be assessed to become a member of the MYSPC. In addition, members who pay prior to April 17 will receive a t-shirt as part of their membership. Any memberships received after that date will receive a t-shirt while supplies last. **MYSPC members will be considered junior members of the Missouri Pork Association.**
- c. Family membership packages are available at the following rates:
 - i. 2 memberships in the same family - \$40
 - ii. 3 memberships in the same family - \$60
 - iii. 4 memberships and above in the same family - \$15 per MYSPC member
- d. Members must be signed up and paid before points will be accumulated. Membership may be paid at any show. However, members will not receive points from shows attended prior to membership dues being paid.
- e. Kids are eligible for membership as long as they are a resident of Missouri or a member of the Missouri 4-H or FFA.
- f. The MYSPC is not responsible for the management of sanctioned shows. All sanctioned events are run independently of the MYSPC. All exhibitors are expected to honor the rules of the show in which they are participating.

- g. The MYSPC is not responsible for accidents.
- h. MYSPC members will be allowed to count top points from 50% of the total number of scheduled shows for the 2017 Season. If more than 50% of shows are attended, points from the 50% of shows in which earned points are the highest will be counted.
- i. **MYSPC members will be allowed to count top points from 50% of the total number of scheduled showmanship events for the 2017 Season. If a member participates in more than 50% of showmanship events, points from 50% of showmanship events in which earned points are the highest will be counted.**
- j. MYSPC members must also be certified in the Show Me Quality Assurance Program or the Youth Pork Quality Assurance Program to participate.
- k. Premise identification numbers are recommended for the location where an MYSPC member's animal(s) is kept. This number should be noted on the membership form.

III. **Sanctioned Shows**

- a. Shows must follow the guidelines set forth by the MYSPC for record keeping and general fairness to the exhibitors. A standardized reporting system will be furnished by the MYSPC for all sanctioned shows.
- b. Shows must have a payback of 50% of entries in each class. Shows must also give additional pay for grand and reserve grand champion in each breed.
- c. There will be a \$200 fee to become a sanctioned show with the MYSPC.
- d. **Established shows must confirm/reserve their show date with the MPA Director of Communications by January 8 for the following show season.**
- e. Shows must submit their judge to the MPA Director of Communications no later than May 1. The committee will review judges to avoid duplicates. Judges may NOT be from Missouri.
- f. Shows shall be registered as a sanctioned show and have the official show flyer in to MPA no later than January 8 of the current show season. Payment must be received by March 1. All shows will be listed on the official MYSPC website, and will have one 4" x 6" black and white ad placed in the official MYSPC pocket guide mailed to approximately 1,500 people.
- g. Sanctioned shows must promote the MYSPC to its exhibitors.
- h. All shows must submit a finalized list of class placings, champions and showmanship participants/winners within seven days of the conclusion of the show. E-mail them to diane@mopork.com.
- i. All MYSPC Sanctioned shows are required to have three aspects to their show:
 - i. Classes for purebred and crossbred market barrows.
 - ii. Classes for purebred and crossbred breeding gilts.
 - iii. Showmanship
 - **EXCEPTION: When two shows are held on the same day in the same location, only one showmanship event is required. See Section III, q, ii for scheduling details. It is up to the shows as to which judge presides over showmanship.**
- j. To be eligible, all pigs must be farrowed after December 1, 2016.
- k. Shows must judge gilts as breeding gilts. If they are judged as market gilts, the show cannot be sanctioned.
- l. Classes are required for the following breeds: Berkshire, Chester White, Duroc, Hampshire, Poland China, Spotted, Yorkshire, OPB and Crossbred. The only exception is if there are less than 5 animals in a class (see Section III, Item I).
- m. A minimum of 5 animals are required to have a class. If there are less than 5 in more than one breed class, the show must combine those animals into an Other Breeds class. Points will be given for placing in that class, regardless of breed. This is the only acceptable reason to combine breed classes. *Do not combine barrows and gilts. Example: If there are 4 Duroc barrows and 2 Hampshire barrows, combine these animals into one Other Breeds class. If a Duroc places 1st, the corresponding 1st place points will be listed in the Duroc barrow category. If a Hampshire places 2nd, the corresponding 2nd place points will be listed in the Hampshire category.*
- n. If there is only one breed class with less than 5 head, then that class may be called as is.
- o. Showmanship divisions should be:
 - i. Novice – ages 7 and under

- ii. Junior – ages 8 to 11
- iii. Intermediate – ages 12 to 15
- iv. Senior – ages 16 to 21
- p. Shows must report 1st through 5th place in each showmanship division, **and all participants.**
- q. Shows are encouraged to be held on weekends. If two shows are held in one day in the same location, they should follow the schedule below:
 - i. Ring A – Begin with Showmanship, followed by Crossbred barrows, Berkshire barrows, then work through remaining purebred barrows alphabetically ending with Yorkshire barrows. Pick Top 5 in barrows. Next, start with Crossbred gilts, then Berkshire gilts and move through alphabetically to Yorkshire gilts. Pick Top 5 in gilts.
 - ii. **Ring B – Start at the same time as Ring A Crossbred barrows (after showmanship). Begin with Berkshire gilts, working through the alphabet and ending with Crossbred gilts. Pick Top 5 in gilts. Next, start with Berkshire barrows and work through alphabetically ending with Crossbred barrows. Pick Top 5 in barrows. (No Showmanship in Ring B.)**
- r. Sanctioned shows are encouraged to not require hogs to be in place for more than 24 hours.
- s. Entries must be available the day of the show.
- t. Pigs may only be entered in one class per show.
- u. All animals entered in purebred classes are required to have registration papers or verification of registration by June 1. At this point, the animal will be shown as a crossbred until papers are provided. Papers **MUST** be faxed or emailed to the MPA office by June 1. MPA will send the list of verified purebreds to shows after that date.
- v. If an animal is added to the circuit after June 1, purebred papers must be sent in prior to the first show.
- w. Class breaks will be determined under judgement of the show officials.
- x. Pigs must be entered in the name of the MYSPC member that wishes to accumulate points from the exhibition of that animal.
- y. **MYSPC members must exhibit their own pigs to receive points.**
- z. The MYSPC will not be responsible for the formation or the enforcement of the individual show rules. These are the sole responsibility of the show management.
- aa. The MYSPC Committee recommends that all sanctioned shows charge more for out of state participants.
- bb. Shows are required to:
 - i. Have a weigh in or weigh back system.
 - ii. Have a minimum payback of 50% of fees as premiums.
- cc. Shows are required to select a top 5. The process is as follows:
 - i. Select a 3rd place overall crossbred from the 1st and 2nd place representatives. Shows are required to recognize this 3rd overall crossbred, but are not required to pay premiums past champion and reserve champion.
 - ii. Overall grand champion will be chosen from all breed champions. The respective breed reserve champion will replace that animal, then an overall reserve champion will be chosen.
 - iii. Show must then pick a 3rd, 4th and 5th place overall animal. For crossbreds, if the champion and reserve champion have been chosen, the 3rd place crossbred will enter for a chance at the remaining three spots. Each purebred category will utilize only the champion and reserve champion.
 - iv. Ultimately, the top 5 may have a maximum of 3 crossbreds and a minimum of 2 purebreds.
 - v. Shows must recognize the top 5, but are not required to pay premiums to the additional placements.
- dd. **Show Stock Outfitters is a major sponsor of the MPA Youth Show Pig Circuit. Therefore, sanctioned shows must allow Show Stock to attend the day of the show, in addition to any other show supply companies.**

- f. To be eligible for top awards in breeds or overall gilt/barrow, the MYSPC member must participate in that category at least 5 times during the show circuit. *Example 1: To be eligible for top awards in Chester Barrows, the exhibitor must have shown a Chester barrow at 5 sanctioned shows or more.*
- g. The MYSPC is proud to support the breeds listed in Section III. k., and will award prizes regardless of the number of animals in the breed category.
- h. Members will receive points for the highest placing animal by breed by sex by show. *Example: If two crossbred barrows are shown, points will be received for the highest placing barrow.*
- i. Overall points will be calculated using the highest placing in each show attended at up to 50% of sanctioned shows. *Example: If a member receives 1st in Duroc, 4th in Crossbred, 3rd in Hampshires and 2nd in Spotted, only points from the Duroc will count.*
